## Studio CL

A little bit Paris, a little bit Hollywood, a little bit New York...right in Center City. Get the hair of the stars at the newly opened Studio CL, just above Loie on 19th Street. Owner: Arthur Kirsh (who did styling for the Victoria's Secret Angels commercials) Despite the pedigree, there's no need to worry about high-falutin' stylists who make you feel sub-human for the neglected state of your roots. Studio CL employees (most of whom either come from salons in New York, or split their time between Center City) are committed not only to giving you to-die-for hair, but also to making you feel right at home. The vibe is a sort of relaxed chic. And the results are simply starry.

### On the Dry Side

Studio CL in Center City is known for dry cutting hair to ensure that your cut matches your hair's personality. Now the salon has added a Jenkintown location in addition to its Rittenhouse Square locale. Owner Arthur Kirsh trained at John Sahag in New York City and has styled celebrities such as Celine Dion and the models of the Victoria's Secret Fashion Show. In addition to hair, Studio Artur carries lines such as Ecrú, Lanza and John Sahag. We like the way our hair feels after a one-minute application of Ecrú Protective Silk Conditioner. It creates instantly soft hair while nourishing your scalp. Ecrú Protective Silk Conditioner, \$24.75, Salon Artur, 728 West Ave., Jenkintown, PA, 215.884.0004
